**Your lab instructor would like to know if there is something you believe he/she has done expecially well in teaching this lab section.**

Comments
well prepared
clarifying concepts, relatable examples and methods of explanation
I think his ability to clairify lecture material was very helpful. His tips on writing were expecially helpful.
Everything honestly. The writing labs helped exponentially along with the discussions. There was also a very positive learning environment maintained throughout the course.

**Your lab instructor would also like to know what specific things you believe might be done to improve the teaching of this lab section.**

revision should weight more toward grade
Perhaps participation points could be made mandatory for the sake of involving more students in class discussions.
